First year of production	2018
Alcohol	12%
Number of bottles produced	6400
Vine training system and density	Mainly Guyot, 6000 plants per hectare

Soil	Sedimentary alluvial soil from a more recent geological era, with a richer variety of rocks from galestro to alberese and granitic
Yield per hectare	50 quintals
Harvest	Manual, second week of September
Yeast	Indigenous
Sulphite Content	10mg/l
Vinification	Direct-press with fermentation in terracotta jars and concrete vats
Ageing	12 months in terracotta jars and concrete vats
Tasting notes	The wine presents a delicate and luminous profile. For this vintage, we opted for a direct press to preserve the utmost purity of the fruit, followed by 12 months of aging in concrete and terracotta jars. This maturation lends the wine a refined verticality and a vibrant mineral texture, while keeping the floral and citrus aromas crystalline and expressive.
